At Star, our people make the difference. We offer an exciting place to build your career with competitive compensation and benefit packages, company matching RRSP/DPSP program, employee home purchase program and retail discounts.

Job Overview

Reporting to the Production Manager, as the **Truss Assembler** (afternoon/evening shift) you will set up and assemble roof and floor trusses according to specifications. You also ensure work is done efficiently in compliance with quality requirements and safety protocols. Your day-to-day responsibilities will include:

- Completing pre-shift equipment inspections, fabricating and assembling wood roof trusses according to designer specifications.
- Loading and indicating complete jobs in Truss Line software to facilitate related operations.
- Gathering the correct components and verifying material quality prior to commencing work.
- Selecting accurate plates according to drawings, positioning plates properly, and adjusting connector plate size as necessary.
- Assisting and/or coaching other team members on the line.
- Working safely and following all health and safety policies and procedures.

As our ideal candidate, you are...

- Organized; you effectively manage your time while balancing multiple priorities.
- A strong communicator; you clearly express your thoughts in conversation and in written communication.
- An active listener; you seek to understand and listen to others in a non-judgmental way.

Essential Requirements

- High School Diploma or equivalent.
- Minimum 1 year of truss manufacturing or other similar wood products assembly experience.
- Satisfactory verification of criminal record check.
- Physically able to kneel and crouch as well as lift, carry, push or pull objects weighing up to 50 lbs.

What We Value

- Creating trusting and successful working relationships.
- Setting clear, measurable and achievable goals.
- Cooperating with team members in an open, positive and respectful manner.
- Taking responsibility for the outcomes of decisions and actions.
- Staying current on technical job skills.

Working Conditions

You primarily work on site. The current need is for the afternoon/evening shift from 2:30pm-11:00pm. Preference will be given to candidates with open availability as future shift needs may change. Work has exposure to noise from equipment/machinery and occupational hazards as well as dealing with

inclement weather and dust. Overtime may occasionally be required.

Candidates being considered will be contacted. We thank you for your interest. Join our [Talent Community](#) to stay up to date on job opportunities and to find out why we have the best reasons to come to work every day.
