

Are you looking to join a collaborative team? Do you have experience pipefitting and with shutdowns and turnarounds, are you looking for temporary work? If your answer is yes then look no more, we are your Clear Choice!!!

ClearStream is looking for Journeyman Pipefitters that can work independently, that will be working directly with journeyman pipefitters doing layout, assemble, fabricate, maintain and repair piping systems which carry water, steam, chemicals, or fuel used in heating, cooling, lubricating and other processes.

***Please note these are temporary roles to start September 7th for a month duration. Turnaround is based out of Carseland, local candidates to Carseland and Calgary will be preferred. Successful candidates should have reliable transportation to and from site***

#### **What you'll be doing:**

- Study blueprints, drawings, and specifications to determine the type of pipe and tools to use and lay out the sequence of tasks.
- Draft detailed sketches for pipe and equipment fabrication and installation, as required.
- Measure, cut, thread, groove, bend, assemble and install metal, plastic and fiberglass pipes, valves, and fittings.
- Join pipe sections, related equipment and secure in position.
- Use testing equipment to check systems for leaks.
- Perform other duties as required.

#### **We'd love to hear from you if you have:**

- Journeyman Pipefitter certificate (Red Seal if out of province certificate)
- Ability to read and understand complex instructions
- Ability to do careful and exacting work
- Must have your own transportation and be able to travel to client site
- CSTS-2020
- H2S Alive
- Fall Protection
- Confined Space Entry
- Aerial Work Platform

#### **What we offer:**

- Competitive Pay based on the work you do here and not your previous salary
- Merit Benefits after +300 hours
- 6 and 1 schedule

#### **Why ClearStream**

ClearStream is the clear choice for rewarding opportunities and challenging careers. Joining our team would mean you would contribute to the quality of work we do and to the success of ClearStream along with the values we share. If you are driven, dedicated and have a passion for helping our customers bring resources to our world, then ClearStream is the team to join.

**For shortlisted candidate's, you will be asked for the following as a clause of employment:**

*This position has been identified as a safety sensitive position and will require completion of a drug and alcohol testing.*

ClearStream Energy believes that diversity and inclusion among our teammates is critical to our success. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, disability, protected veteran status or any other legally protected factors.
