

# Job Description

## Operator 2

---

Division:	<u>Magnum Cementing Services Operations Ltd.</u>	Creation Date:	<u>April 2012</u>
Position Title:	<u>Operator 2</u>	Revision Date:	<u>October 2021</u>
Department:	<u>Operations</u>	Revision Number:	<u>6</u>
Reports To:	<u>Station Manager</u>		

---

## Position Scope

Reporting to the Station Manager and under the direction of the Supervisor, the **Operator 2** is a class 1 driving role whose primary responsibility is to safely operate and care for field equipment, perform shop maintenance, and support the operational business. This role works closely with Greenhands and Bulk Drivers. This position is considered to be a safety-sensitive position.

---

## Job Responsibilities

### All Operators

- Maintain and prepare a pumper for each and every job.
- Operate the pumper to perform proper on-site rig in (assemble) and rig out (disassemble) procedures, mixing, pumping, pressure tests, plug drops, wash ups, final inspections, and assist with location clean up.
- Monitor pump pressure, rates, and volume during pumping performance; observe and report if anyone is needed in the hot zone.
- Inspect and perform function tests before equipment leaves yard, ensuring all components are in working order.
- Maintain up-to-date documentation on equipment maintenance and repairs (i.e. 300-hour maintenance, greasing units, and iron treating), and submit paperwork before shift end.
- Perform shop maintenance on field equipment when required, including pumper spring maintenance and fluid end inspections.
- Assist the Supervisor in job preparations and incident reporting.
- Adhere to and enforce company safety policies and ensure compliance with HSE legislation.
- Develop and maintain strong external/internal client relationships in support of company values and objectives.
- Establish and maintain procedures to ensure high level of service.

### Specific to Operator 2's

- Drive well servicing equipment with a trailer (pup unit) to and from well sites, as required.

### General

- Participate in training and development activities.
  - Other general duties as required.
- 

## Qualifications, Knowledge, Skills, and Abilities

- Required:
  - Class 1 driver's license with a clean driver's abstract.
  - Physically capable of moving/lifting heavy objects up to 23 kg., bending, standing, gripping, sitting/driving, walking, and climbing repeatedly for extended periods.
