

Pre-Board Screening Officer - Calgary

Watch your career take flight at GardaWorld!

GardaWorld is the largest provider of aviation services for the Canadian Air Transport Security Authority (CATSA), offering screening services in 28 airports across Canada.

Pre-Board Screening Officers are specialized professionals tasked with protecting air travelers by screening them and their belongings, while exhibiting the highest degree of vigilance and providing excellent customer service in a challenging environment.

Our officers undergo rigorous specialized training up to 180 hours, both in class and on-the-job in order to acquire CATSA Screening Officer certification so it is not essential that you have previous security experience, training or licenses. We are seeking eager candidates with great communication skills and customer service experience that are comfortable working in the airport's high-tech, fast paced environment.

We are currently recruiting Pre-Boarding Screening Officers for the Calgary Airport, on a Part-Time basis with opportunities for Full-Time once training is completed.

What's in it for you?

- \$24.16 - \$27.34/hour
- Training paid at \$20.47/hour
- Comprehensive benefits
- Uniform provided
- Opportunities for career development in specialist and management positions
- Security experience or license **NOT** required!

What does a Pre-Board Screening Officer in Calgary do?

- Screen passengers, non-passengers, and baggage
- Control access to restricted areas
- Interact with the travelling public and provide customer service in a professional and ethical manner
- Follow regulations and standard operating procedures while demonstrating critical thinking

Qualifications to become a Pre-Board Screening Officer in Calgary?

- Must be a Canadian citizen or a permanent resident
- Age 18 or older
- High school diploma or equivalent (GED)
- Fluent in English spoken and written
- Eligible to obtain RAIC/security clearance
- Able to obtain medical clearance and meet physical requirements
- One year of customer service experience, ideally in a dynamic, high-tech environment
